We are pleased to present this beautiful south facing ground floor apartment in a very sought after community of Los Dolses. The kitchen has been renovated to a very high standard leading on to the large open-plan living/dining room and then to the south facing terrace with sea views. We have 2 large bedrooms with the master bedroom having access to the terrace and then we have the family sized bathroom with utility area. This fantastic community has 2 large pools, communal solarium, communal...
